### Dr. John A. Schmidt, Jr. Receives 100% Patient Approval

**Belmar, NJ, July 31, 2013** – John A. Schmidt, Jr., MD, one of the leading Internists in Monmouth County, received 100% patient approval in a recent Patient Satisfaction Survey. Nearly 100% of his patients rated Dr. Schmidt either excellent or good in the areas of patient care and communications. Patients also rated the practice either excellent or good in scheduling appointments for well visits (99%), emergency care (98%) and sick visits (96%). Ninety-nine percent of his patients have a high degree of trust in the level of care Dr. Schmidt provides.

Wait time is always a point of contention with patients. Even so, Dr. Schmidt's patients reported that the time that they wait to see Dr. Schmidt is either excellent or good in the areas of time spent in the exam room (97%) or waiting room (95%). Patients are also very satisfied with the time spent waiting for test results (95%) and waiting for tests to be performed (93%).

"I am fully committed to providing the best possible care for my patients," states Dr. Schmidt. "I am thrilled that my patients recognize that we are dedicated to them and their well-being." Dr. Schmidt gives every patient his cell phone number and e-mail address. He also makes home visits to critically ill patients.

Dr. John Schmidt, a Board Certified Internist, is passionate about providing the highest level of care to his patients by taking a holistic approach to preventive medicine. He is one of the first physicians to provide Medical Home services to his patients in Monmouth County. Dr. Schmidt coordinates care for his patients by managing their Personal Health Information and works with their specialists and other healthcare providers to ensure that patients have everything that they need to stay healthy and well. He is well-known for the time he invests in developing a relationship of trust with his patients on both a medical and personal level.

Patients of Dr. Schmidt are also very happy with his staff and the efficiency of his office. Participants rated his staff either excellent or good in the areas of: friendliness, helpfulness, concern, trust and the ability to answer their questions.
